potted by default, so  
it's tough ...

## Electric Guitar Pickup Guide

A standard electric  
guitar pickup creates a  
magnetic flux field,  
which in turn  
magnetizes a string  
made of ferromagnetic  
material like steel or  
nickel. When the

# Get Free Electric Guitar Pickup Guide

string is plucked, the vibrations of the magnetically charged string disturb the flux field.

Electric Guitar Buying Guide | Sweetwater  
The simplest way to think of a pickup is as if were a microphone for an electric guitar. A guitar pickup is a magnet that senses the

# Get Free Electric Guitar Pickup Guide

vibrations of your strings, then converts them into an electrical signal that can be amplified, thus making noise!
