Nguni people - Wikipedia
UAS incursions not only endanger the lives of pilots and firefighters, but also reduce the capacity of the Incident Management Team to protect the communities of Flagstaff and Summit. Regardless of your motivation, flying a drone near a wildland fire is putting someone else's life in danger. Your hobby is not worth another person's life.

Emergence 3: Incursion by J.T. Sawyer - Goodreads
As a writer, Emergence signifies a return to the post-apocalyptic world: a place that is at once terrifying and one where hope and fortitude allow the human spirit to triumph against overwhelming odds--something our species has excelled at through the millennia since we emerged from the primordial dust.

The EMERGENCE series is amazingly well written, exciting, and more importantly...JT Sawyer scared the daylights out of me. The emergence of any new virus is frightening enough., But following the history of this virus... without ruining the storyline for anyone... is so realistic and scary, I want to hide.
