SOLVED: Fuse relay diagram for 84 vw rabbit gti - Fixya

Hey, Just got an 84 Rabbit and I'm trying to get all the loose wires hooked up, but I'm not quite sure where everything plugs in. I'm kinda new to the electrical stuff. Basically, if anyone happened to have a PDF Rabbit manual for models between 80-84 I'd really appreciate it. Or even just a wiring diagram. Currently I'm working on getting the dome light to turn on with the door-ajar.

1984 Volkswagen Rabbit - User Reviews - CarGurus

About a week ago I Noticed my 84 VW Rabbit GTI was leaking gas from somewhere in the back right wheel well and it turned out to be the tube that connects to the filler pipe on my gas tank for overflow, it popped off from pressure. I later found out it was caused by a valve that is supposed to release air pressure from my gas tank and that is probably clogged up in some way.

VW Rabbit Parts - PartsPlaceInc.com

VW Rabbit Daily Driver — My vw rabbit was my first car to be modified (by me) it was my first sunday project. It had minor modifications in the engine (better lubrication, higher compression, bigger intake and carb). This was my only means of transportation for quite some time, the little mods I made to the car gave me a tremendous result in power and fuel economy. at first the car had been
