*Engine Fault - Repair Needed | Peugeot RCZ Forum*

*Constant check engine light with Engine fault: repair needed message is displayed on the BC. If the engine has a very rough idle, a high-pressure fuel pump is often a common cause. If it idles fine but has a lack of power and poor acceleration, there is a large boost leak, or you could have a clogged catalytic converter.*

*Engine fault repair needed? | Peugeot Forums*

*More specifically "Engine fault: repair needed". In case this happens to your RCZ or Peugeot in general or Citroën or even to your luxurious DS, it can mean many things – it's basically a very general fault code for your engine. However, it doesn't always mean that the fault origin is to be found in the engine.*
