Firing order diagram for a 86 Chevy 305? Unanswered Questions. ... The firing order on all small block Chevy engines is, 18436572 and the cylinders are numbered as following, driver side 1357 and ...

Complete Engines for Chevrolet S10 for sale | eBay I would almost never suggest a Qjet but on a stock engine, I think that's going to be your best bet. You don't have to guess and check on jetting or bleed sizes or anything when the factory did that work for you. The qjet, rebuilt properly, should get the best MPG and have the best throttle response on that setup.
