### **Mighty Mount - World Best Engine Test Stand - Engine Stand ...**

I currently have one under construction that I have mounted on a small trailer. Some of my friends had wanted to test run their engines and I wanted to be able to take the engine stand to them rather than have them bring the engine to my shop. Of course I had to dress up the trailer a bit. Might look good behind my 55 F100.

### **Engine Test Stand Plans - solometalworks.com**

looking to fab up a engine test stand, ... I have seen a few test stands over the years. With an engine of your caliber I would think to make the stand "very" stout... I would think no wheels, and two uprites for extra stability. Maybe one uprite depending on the size and thickness of the square tube you have.

### **Easy-Run Engine Test Run Stands**

For use with the Mighty Mount Engine Test Running Stand and other automotive applications. Dimensions are 20 3/4" wide x 17" high. Hose connections are 1 3/8" top and 1 5/8" bottom.

### **Summit Racing® Engine Run Stands SUM-918015 - Free ...**

This IS the engine test stand for the hobbyist like myself no question about it. Affordable, nice looking, and functional. Hey if you don't want a stand without a radiator or small gas tank go pay \$1,000 or more for a better model and stop complaining, I bought this stand that does what it was intended for and had money left for engine parts!!

### **Engine Stand, Main Frame - Laine Family**

This engine running stand also has an attractive shimmer and is resistant to rust. Four steel casters enable easy maneuverability. This engine test stand makes it simple to check the operation of the motor right from the shop or garage.

### **Engine test stand???? | The H.A.M.B.**

The stubs are cut at a 95 degree angle so the legs turn in a little. (remember the 'mount from an engine hoist part ?) They are 26" wide (o.s. to o.s) at the back leg and 20" apart at the far end. This allows you to roll an cherry picker up to the stand and mount the engine directly to the stand. Here's a little closer view of the leg stub.
