**Engineering  
Change Notice  
Jobs, Employment  
| Indeed.com**

It is basically a process by which a design data can be changed in a product. So in common language it means that if

# Read Online Engineering Change Notice

there is a product then the drawing of the product needs to be changed then the person wanting the change would first issue a ECR (Engineering Change Request) and this request is forwarded to the person who

# Read Online Engineering Change Notice

would pass t his  
ECR and it would  
become a ECN.

## **Engineering Change Order Process**

An engineering  
change notice  
(ECN), or change  
notice, is a  
document which  
records or  
authorizes a

# Read Online Engineering Change Notice

change to a specific design. The reasons for the change should also be recorded.
