Project Gutenberg is a wonderful source of free ebooks – particularly for academic work. However, it uses US copyright law, which isn’t universal; some books listed as public domain might still be in copyright in other countries. RightsDirect explains the situation in more detail.

Ephemeral Architecture - Pinterest

It is true that ephemeral installations have their own special category, but their fickle and fleeting character dubbed them as being superficial, even fake, as ephemeral architecture used camouflage and trickery to enhance its construction and seem more durable or ‘real’. Ephemeral architecture was the imposter of ‘permanent’ architecture!

Ephemeral Architecture - Alex Sanchez Vidiella

Ephemeral Architecture is an ancient part of our architectural heritage, stretching back to the vernacular works of nomadic cultures. However, the idea of architecture as something permanent grew into prominence when humans shifted to an agricultural based society and it has remained the dominant mode of thought ever since.
