Teaching -

### **What Makes a Question Essential? - ascd.org**

Wiggins and McTighe define essential questions as “questions that are not answerable with finality in a brief sentence... Their aim is to stimulate thought, to provoke inquiry, and to spark more questions — including thoughtful student questions — not just pat answers” (106).

### **Resources – McTighe & Associates**

To engage students, some teachers frame an essential question that goes off on a tangent. But a good question has to be more than just intriguing. The best essential questions are, literally, of the essence: They take you to the core issues and insights of a topic.
