From your My Preferences > Regional Settings, you can view the time zone and date and time format in use for your account. The time and date settings are used to record events in your account, and are displayed in places like the envelope History and the Certificate of Completion.

Virtual Appliance User's Guide  
Understanding Apptivo. Apptivo comes with a ton of features which lets you customize, control, and share data across one platform. It may seem overwhelming at first, but that's what the user manual is for. In the left menu, you will see that we have broken it down into different categories to help setup your Apptivo account.
