The #EURegionsWeek is around the corner and, as every year, we are proud to present you the events focused on good governance and administrative capacity. The 2020 edition is a peculiar one, as most of the events will take place online. Another important novelty is the focus we are having on promoting #citizenengagement in Cohesion policy.

European Administrative Governance

Abstract. This volume is a primer on the European Union (EU) administrative system. It offers a wide-ranging analysis, notably on how EU administrative capacities relate to pre-existing institutional constellations at global, national, and subnational levels of government, and contribute to a system transformation of existing (largely nation-state) administrative orders.
