It ' s important to start at square one, reviewing the parts of a serger and then making samples of the basic stitches. That ' s what you ' ll learn during this and the subsequent shows. We developed a workbook so that you can apply your sample to the laminated pages as a reference. It ' s a great learning tool.

Baby Lock Evolution BLE8W-2 Instruction And Reference Manual

The Evolution was easy for a very impatient person like me. Only trouble I had was when tired I could tangle threads trying to raise and lower the presser foot. Along came the Ovation and oh my goodness, presser foot in front, knee lift and more space. Even though I have small hands I found the evolution cramped.
