Brave New World is a dystopian novel by English author Aldous Huxley, written in 1931 and published in 1932. Largely set in a futuristic World State, inhabited by genetically modified citizens and an intelligence-based social hierarchy, the novel anticipates huge scientific advancements in reproductive technology, sleep-learning, psychological manipulation and classical co

Brave New World by Aldous Huxley - Goodreads

1984 is not a particularly good novel, but it is a very good essay. On the novel front, the characters are bland and you only care about them because of the awful things they live through. As a novel all the political exposition is heavyhanded, and the message completely overrides any sense of storytelling.
