Family Mediation Practice  
Family Mediation Practice is designed to help families cope and move forward with tailored approaches to suit the uniqueness of each family . Mediators work through family difficulties carefully and respectfully, giving everyone a chance to speak, until we find a way forward that is constructive and acceptable.

I started this directory as a direct result of working with mediators doing other website work. During that time it was made clear to me that the one thing that was still missing in the industry was a lack of understanding of the new mediation process as an alternative to court action and separation.
