Far North by Will Hobbs is a young adult novel written specifically with middle school students in mind. It is an adventure novel that can actually be mapped as the adventure takes place. The places they travel to do exist as do the tales that surround them. The Far North was a very hard place to live when you depend only on yourself and the land.

Editions of Far North by Will Hobbs - Goodreads
Teaching Far North. Will Hobbs' authorial page provides some great resources for teaching this novel. Some of the ones I found most suitable for a classroom with a YA curriculum are featured below. Some of these can be used across content areas and are inherently interdisciplinary which is great for a middle school environment.
