Alexander Lowen Fear of Life is an in-depth study of the human condition within modern culture.

Fear of Life - Alexander Lowen - Google Books

The neurotic is as much afraid to life as to die. Arthur's being half in love with death means that he is only half in love with life. He doesn't dare reach out for warmth because the pain of his longing would be almost intolerable. He cannot risk opening his heart because he feels that if he is rejected, he will die.
