Feed is a novel that needs to be experienced. Anderson projects a world where fast-paced internet consumerism has taken over society, where people have the internet basically wired into their bodies, directly feeding them a stream of advertisement based on their every random thought. It's cleverly done.

Feed (Anderson novel) - Wikipedia
"Feed" is different from other dystopian young adult novels out there, and it's unfair to compare it to others. Anderson doesn't want to give us strong characters we can relate to, and he doesn't want us to think everything will be fine in the end. This novel is a warning.
