What is Feminist Religious Studies? - Bishop's ...

Feminist theology, or more properly, theologies, has emerged in modern times as a challenge to the male bias in religion and society as a whole. Although feminist theology has many significant roots in pre-modern history, it has only emerged as a fully conscious movement with its own literature, spokespersons, principles and methods in the past three or four decades.

Feminism And Religion An Introduction

Feminist religious Studies is a relatively new branch within the academic study of religion (religious studies) less than half a century old. It consists of academic scholars, mostly women and largely within religious studies, who have "confronted the sex and gender biases that given rise to these attitudes in the religion, and hence to theories of religion..." (1).
