Manual vs Automatic is always up to the driver and what they prefer. There does not seem to be an obvious difference between the manual 360 and the manual F430, however there is a definite improvement in the F1 F430 compared to the F1 360. The F1 F430 is much quicker to engage, making it feel almost like an automatic when pulling away from a standstill, and noticeably more braking force at the rear wheels. ENGINE: One of two big differences between the models.
