**Fighting Rough A Post Apocalyptic Emp Survival Thriller ...**

In countless post-apocalyptic stories, the new world is a rough place where dominance is decided through combat. Men and women will punch one another into submission, unconsciousness or even death. But that's not the best way to settle things, as fights can lead to injuries that would be incredibly debilitating in a world without doctors.

**Post-Apocalyptic | Nefarious Reviews**

Advanced Fighting Fantasy (AFF) is one of my important later foundational RPG systems. The B/X D&D system's release in 1981 taught me that I prefer clean and malleable rule systems over arcane and complex ones and when AFF was released in the late 80s it was once again that breath of fresh air – a system that was quick, smooth-running, and easy to hack and modify to your taste.
