November 2, 2000-- Future astronauts poised to blast off for an extended stay on the International Space Station (ISS) might first consider dashing to the restroom for a quick splash at the lavatory, or better yet, a luxurious hot shower. Once on board the ISS, spacefarers are in for a steady diet of sponge baths using water distilled from -- among other places -- their crewmates' breath!

In this post, I hope to share a step-by-step guide to finding tardigrades in your own backyard. Because these amazing creatures comprise an entire phylum of animals (phylum Tardigrada), of which only about 1000 species have been described, there is even a chance that you'll find tardigrades from an entirely new species, never before seen!

Mental health disorders are real, common and often treatable. It is estimated that approximately 1 in 5 American adults¹ (nearly 44 million people) and 13-20% of children² living in the United States will experience a diagnosable mental health disorder in a given year. The following are signs that your loved one may want to speak to a medical or mental health professional.

Finding Water The Art Of

Benton Harbor is likely just the beginning. Since the southwest Michigan community's prolonged lead-in-water crisis began making national headlines this fall, residents of Hamtramck, Wayne and Manchester have all learned that their water, too, exceeded government lead standards, sparking renewed cries for faster action to eliminate the toxic metal from Michigan's water systems.
