BEng (Hons) Fire Engineering degree | undergraduate degree ...

What is a Fire Engineer. It is not an easy task to define fire engineering which should become clear when the following is considered. It could be argued that any person involved in the fire safety industry could call themselves fire engineers and because they do not belong to a professional body does not negate this.

H. B. Wells Dead - Fire Engineering

Fire Engineering is for students aiming for senior roles after graduation in safety design roles or on their way to becoming senior fire officers.
