Hugh Howey - Book Series In Order

Maybe I didn't go as far as the gentleman in the story, but I did immediately delete my Omnibus copy... and purchased it from Amazon - along with First Shift. I've only read Wool 1 and part of 2, but I have been raving about them for days and it's only right that I pay for such excellence... can't wait to read the rest.

First Shift - Legacy is the first book in the Shift series by American author, Hugh Howey. This prequel to the Wool series describes the events that lead to the World Order that exists in the Wool books. It switches between two time periods: the early twenty-second century in the control centre for the Silos,...

First Shift Legacy 1 Hugh

First Shift: Legacy really would be a great launching point for this whole series minus the fact that it would create some early spoilers. This novel and series for that matter is a near future post apocalyptic story. Howey has split this book into two separate points of view that are nearly 200 years apart.

First Shift: Legacy (Shift #1) read online free by Hugh Howey

First Shift could be read standalone, but is intended as a prequel to Howey's Wool series of dystopian novels. It is built atop the "grey goo" science fiction concept (google grey goo for exact origin) that speculates what could happen if self-replicating nanobots were created that fed on carbon or carbon-based lifeforms, destroying all life on earth in a matter of days.
