Dear Dr. Altayeb. The University of Cambridge had studied your wonderful website, and we found it very useful to our students here in the university .It will be my pleasure to advertise your website to all the university so that it can help all the students. I do believe that this is the least I can do to your hard work you had put into this website.

For Igcse Algebra Wordpress

Algebra This is one of the widest topics in this syllabus and deals with the variables (e.g. x,y, a,b). You are usually asked to find the values of these variables by solving the equations. Generally, there are coefficients accompanying them. It is the most important topic and if you have aced this, we bet you...

Algebra – IGCSE Int. Mathematics 0607

IGCSE ALGEBRA TIPS FOR WRITING ALGEBRA We write 2x instead of 2×x to mean 'two lots of x ' or x x. We leave out the times symbol because it might get confused with x. We write x2 instead of x×x or x x to mean ' x times itself'. Using indices is clearer and quicker once we get to x9 instead of x x x xx x x xx ... If you're multiplying a whole load of numbers and letters, remember:
