Ford 2722e Manual - agnoleggio.it

Rather than re building my 1979 80HP Ford Sabre Lehman, I am considering replacing it with a newer used version, a 2722E 90HP. However the Seller has no info about when this engine was originally built. Does any one know? Also, as the engine is up and running, is it worth spending £400 on having it tested? Any advice would be greatly appreciated.
