List of Ford engines - Wikipedia

The 361's came with a 2V holly while the 391's came with a 4V holly. There were light duty, medium duty (MD) and heavy duty (HD) engines. The HD's are very tough with a forged steel crank, heavy rods and heavy (4 ring) full skirted pistons, they WILL take a pounding.

ford 361 engine | eBay

Ok i have this engine that we took from a F 750 truck 20 years ago. Always assumed it was a 361 or a 391. Went to install it in a 66 F 600 today and noticed the engine has cast on the back of the block 66 and below that 427. On the front near the water pump it has 352. the crankshaft flange is
