### ORDER - Home

The Ford Squire is a car that was produced by Ford UK from 1955 to 1959. It was substantially shorter than both the Prefect and the closely related Ford Anglia 100E two-door saloon. It used the short front doors of the four-door model because the bodyshell was optimized for use as a panel van (which was marketed as the Thames 300E).The rear door was in two pieces split horizontally.
