The incorporation of a turbocharger and direct injection technology ensured that the EcoBoost engine was powerful and responsive at all engine speeds, delivering a much broader spread of power as well as impressive fuel economy and lower CO2 emissions.

Ford Xr6 Engine Specs

This engine is found in the BA/BF Falcon based FPV F6 Typhoon and Tornado models, and the SY Territory based FPV F6X, and was produced between 2004 and early 2009. It is the high-power variant of the Barra 240/245T versions found in the XR6 Turbo. The increase in power is achieved through the use of higher boost pressures from the otherwise under-utilised large Garrett GT3540 turbocharger, a ...
