Here is an updated version of the \$domain website which many of our East European book trade customers have been using for some time now, more or less regularly. We have just introduced certain upgrades and changes which should be interesting for you. Please remember that our website does not replace publisher websites, there would be no point in duplicating the information. Our idea is to present you with tools that might be useful in your work with individual, institutional and corporate customers. Many of the features have been introduced at specific requests from some of you. Others are still at preparatory stage and will be implemented soon.

published book) that inspired Nicky to write her first original story. Over the course of the next two months, she hastily scribbled down a suspense-driven romance entitled Forever In Time and presented it to the world in August of 2009.

### Forever In Time Ebook Nicky

My first experience with Nicky's books was "The Mating" of which I have read all the books in that series since. "Forever In Time" was an interesting read compared to the rest; definitely a different style. It does lack some of the excitement of the other books, but it still has a good storyline.

Nicky Charles - author

I have been a fan of Nicky Charles since the first book I read, Her writing is suspenseful, action packed, intriguing, romantic, I could go on but it's all there. This one is no different, the journey it takes you on is amazing, I mean how cool to have a love that's Forever In Time, and if you read this
