In some cases, you may also find free books that are not public domain. Not all free books are copyright free. There are other reasons publishers may choose to make a book free, such as for a promotion or because the author/publisher just wants to get the information in front of an audience. Here's how to find free books (both public domain and otherwise) through Google Books.

Another person had posted 1234567890 and I'm enjoying it. You spawn near a city to the west of the central hub and there is a too much wasteland for my taste in that area, but there is a great place to build a base just northeast of the central hub and from that location loot both the central hub and the city to the west.
