Freethinkers | Susan Jacoby | Macmillan

9 Great Freethinkers and Religious Dissenters in History. He was one of the most sought-after speakers in the country; he drew crowds of thousands, and on one occasion, after hearing him speak, Mark Twain observed, "What an organ is human speech when it is employed by a master!".

Susan Jacoby - Wikipedia

American history is replete with secularists at the forefront of major cultural events, however, they are mostly ignored in most historians' narratives. The author helps by noting such luminaries as Thomas Paine, Thomas Jefferson, James Madison, Robert Ingersoll, Margaret Sanger, Emma Goldman, and Clarence Darrow.

Freethinkers: A History of American Secularism - Kindle ...

Susan Jacoby's Freethinkers is subtitled A History of American Secularism. Her much-needed book is a primer on the anti -secularism that characterizes much of American history. It might well have been subtitled How We Got from a Kingless/Godless Constitution to a Faith-Based Monarchy.

Freethinkers: A History of American Secularism by Susan ...

One of the strengths of Black Freethinkers is the fact that it is, in one sense, a survey of African American history from the perspective of non-religious thinkers. Indeed, the narrative of the book¶from the earliest days of slavery in British North America all the way until the twenty-first century¶should offer historians and other readers a different way to think about the African American past.

Amazon.com: Customer reviews: Freethinkers: A History of ...

An authoritative history of the vital role of secularist thinkers and activists in the United States, from a writer of "fierce intelligence and nimble, unfettered imagination" (The New York Times) At a time when the separation of church and state is under attack as never before, Freethinkers offers a powerful defense of the secularist heritage that gave Americans the first government in the world founded not on the authority of religion but on the bedrock of human reason.
