### Freightliner M2 Recall - Read About M2 Recalls ...

I purchased a freightliner m2 with a 22' box and sleeper from alumi-bunk in feb. 2006. With in a week of me driving the truck. I was in the hospital with one third of my back injured. I don't know what the problem is with the design of the truck I am only a driver. the problem could be the frei

### Mbe 4000 motor what is the most common problem in 2006 ...

My 2016 m2 had a big leak in the cab too. The engine fan stays on Freightliner thinks the ECM is bad. Does anyone with a 2016 m2 engine fan stays on? I worked it five days and it went to the shop for six days. Fan is still on and they have the ECM at dealership now, but I am afraid to take it back to shop because they have no hurry to fix it.
