*Gotta love the Fujitsu RLS3H! Just got my power bill and compared what I paid for the last 119 days (since the heat pump was installed in late October) vs the power bills for the same period a year ago. I've paid an extra \$129.63 over the last 119 days or \$1.09 more per day vs last year. That's less than a coffee a day. Totally amazing!!!!*
