**FAQ Before Exam - Good news! we can share GARP's prior FRM ...**  
Energy Risk Professional (ERP) is an internationally acclaimed credential, also awarded by GARP. This is perhaps the only credential of its kind, developed for those with a keen interest in energy risk management as a highly specialized field that can offer some good career prospects in the global industry.

**Practice Exam for the Energy Risk Professional - Home ...**  
I just wanted to share some good news. Because @mh2452 asked us here if we can share GARP's old practice exams, we asked GARP if they would articulate an updated policy (a few years ago, we did publish them to the forum, but GARP asked us to remove them, so naturally we took them down and stopped updating the forum with them). The good news is that GARP's updated policy does allow for us to ...
