The Best Convection Microwave Oven of 2021 - Homethods.com

But this GE was the perfect
light color. The second
great thing is that the
lights of this microwave are
so bright! I love it. There
is high and low light. Low
light was the brightness of
my previous microwave. I put
it in myself and my only
trouble was that I had put
some other holes in the
upper cabinet with the
original microwave.
