GED Math Practice Test: Continued

Now there is a new policy that started the beginning of January 2014; calculus was added. I was glad I passed it before they added that. The sections on the GED are history, science, writing, reading, and lastly math. I passed it because I went to only one website because of it, I passed my math section with flying colors.

GED 2019. Our GED practice questions are now updated for the 2019 GED. After going many years with no updates at all, the test went through a massive revision in 2014. Some smaller changes were made in 2017 and 2018. The revised GED test is definitely more challenging and will require more review and practice.
