As of 2011, metro Atlanta was the ninth-largest media market in the United States. Due to apparent over-estimates of population growth in the 2000s by the U.S. Census Bureau, this rank is a decrease from two years prior as a result of the 2010 U.S. Census. In 2009, metro Atlanta was the eighth- or seventh-largest market, with over 2.3 million TV households and 4.3 million people aged 12+.

Ghana obtained its independence in 1957. The new government of Nkrumah described education as the key to the future and announced a high-level university providing an "African point of view", backed by a free universal basic education. In 1961, the Education Act introduced the principle of free and compulsory primary education and the Kwame Nkrumah University of Science and Technology was ...
