House Flip Project by Adrian Rincon on Prezi

This is an Area and Perimeter book that I created last semester to review with my level classes. I decided to use this foldable instead of my Area and Perimeter Flip-book (click here for previous post) because I wanted to give my students time to complete their Dream House Project in class. I used the flip-book as an extra study guide to help out struggling students.

Perimeter, Area, and Volume - Varsity Tutors

This site contains high school Geometry lessons on video from four experienced high school math teachers. There are also packets, practice problems, and answers provided on the site.
