This project is simply about the floor plan and aesthetic design of a house (including the outer façade). Students should not worry about plumbing, electrical, roofing, or

Fixer Upper: Flip House to Family Project | HGTV's Fixer ...

The answer is yes and no. Yes because hiring a general contractor is a sure way of getting all the rehab work done when you are flipping a house. No because if the numbers don't work your house flipping project could be a huge flop. It's extremely hard to hire a general contractor to do the rehab work and still maintain the 70% rule. Contractors hire the same sub-contractors and they really don't bid out jobs.
