It's easy to search Wikibooks by topic, and there are separate sections for recipes and childrens' textbooks. You can download any page as a PDF using a link provided in the left-hand menu, but unfortunately there's no support for other formats. There's also Collection Creator – a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is

Well, on the Geometry Regents

these proofs are not a large percent

of the test, less than ten points out

of eighty. So on the June Regents

the last question on the test, a six

point question, was the proof

question and I was assigned to

grade about 200 papers from a

school, I won't say which one, to

grade.
