This book works great, goes along with his class. He can study at home what he learns at school. this help to break down the go math grade 4 edition and go math practice book he does in class, I bought all three, and the 2 they are the same book he uses in class. Brought up his levels from N to a B. Highly recommend 4th grade book.

The Math 4 (3.0) works a little differently than the 2.0. The academic content is the same as always and includes over 100 hours of math instruction! However, each course is now delivered online as a 12-month subscription (per student). This obviously means no more discs (and, importantly, no more need for expensive disc replacements).
