### Innovation Management by Keith Goffin and Rick Mitchell ...

For early-stage projects, those well to the right in the innovation funnel, information will be sparse and financial approaches are usually unhelpful; multi-criterion scoring is the best approach. The key to a good scoring tool is careful definition and alignment of the scales. Opportunity and feasibility aspects should be assessed separately.

### SIM chapter 5 - WordPress.com

Now, some scholars think and evidence that the management of a "regular" project compared with an innovation project is consistently different (Goffin & Mitchell, 2005: 242) and that traditional project management techniques fail in managing such projects because of a decoupling between projects and their business environment (Shenhar ...

### Goffin Mitchell Innovation Management Chapter

Managing innovation is a challenge in any organization and demands a wide range of skills. How can you judge whether your department or company is as innovative as it could be? And if it isn't, what can you do and where do you start? Innovation Management begins by separating innovation into five interlocking topics: The Innovation Pentathlon.
