Re: GPAA, are most claims overworked? i dont know about being overworked. i think here out west. the few claims i've been to. have shown signs of activity.but i dont think the knowledge of the prospectors was very good. you just see random holes dug all over. without any ryme or reason. if people would just listen and research. before digging blind maybe they would find some color.

Gold Prospectors Association of America > Home

The fellowship experienced at a GPAA event or through joining a chapter is beyond compare. Membership also grants you full, unlimited access to the features of the GPAA website. Most notably, members are able to post and converse on the Online Mining Guide and GPAA Forum and view special members only areas.

GPAA Membership - Gold Prospectors Association of America

GPAA Claims are located on federal BLM and USFS land. At this time, only developed property and campgrounds have been closed in certain states. Access to GPAA claims has not been impacted, and if your local guidelines permit, you are free to continue prospecting as long as you are following the CDC guidelines to slow the spread of the virus.
