Lowlands of Scotland is a four book
series by Liz Curtis Higgs, retelling the
biblical story of Jacob, Leah, Rachel, and
Dinah, set in the late-1700s Scottish
lowlands. The series manages to stay
remarkably close to the original story
without taking liberties with historical
accuracy; Higgs did a lot of research
before writing the books, and it shows.

Grace in Thine Eyes, Lowlands of Scotland Series #4: Liz ...
Grace in Thine Eyes is intended as a stand-alone title and may be easily read and understood without reading the trilogy of Scottish novels published earlier. However, I strongly recommend all of Higgs's fiction, because she portrays God's grace and understanding through the characters in a way I seldom see with inspirational fiction.
