Here is an updated version of the \$domain website which many of our East European book trade customers have been using for some time now, more or less regularly. We have just introduced certain upgrades and changes which should be interesting for you. Please remember that our website does not replace publisher websites, there would be no point in duplicating the information. Our idea is to present you with tools that might be useful in your work with individual, institutional and corporate customers. Many of the features have been introduced at specific requests from some of you. Others are still at preparatory stage and will be implemented soon.

Same-sex marriage in Switzerland has been legal since 1 July 2022. Legislation to open marriage to same-sex couples passed the Swiss Parliament in December 2020. The law was challenged in a referendum on 26 September 2021 by opponents of same-sex marriage and was approved with the support of 64% of voters and a majority in all 26 cantons. The law went into force on 1 July 2022.
