**Because this site is dedicated to free books, there's none of the hassle you get with filtering out paid-for content on Amazon or Google Play Books. We also love the fact that all the site's genres are presented on the homepage, so you don't have to waste time trawling through menus. Unlike the bigger stores, Free-Ebooks.net also lets you sort results by publication date, popularity, or rating, helping you avoid the weaker titles that will inevitably find their way onto open publishing platforms (though a book has to be really quite poor to receive less than four stars).**

**I found Grounding Quinn an  
extremely easy read with its smooth  
prose, well-written romance and  
three dimensional characters. It was  
also a surprisingly emotional read  
for me and I was amazed by how  
much Stephanie Campbell's writing  
touched me. Fantastic book. I'll be

This was my second book by author  
Steph Campbell (the first being  
Delicate) and I have to say, I  
definitely enjoyed Quinn's story  
more than Sydney's. In Grounding
