Grow: Grow cool, 55 - 60F, for best growth. In early spring, and with adequate moisture, Astilbe can be grown in full sun. For late spring and early summer crops when light intensities are high and when temperatures exceed 65 - 70F, it is best to grow Astilbe under 30% shade. Water: Water immediately and keep Astilbe moist at all times. As shoots and foliage appear, increase water frequency.
