4. The emergence of organized information services. The rubber boom years of 1905–1906 and of 1910–1912 convinced the British and European investors that Malaya was a profitable colony (Nonini, 1992). By the 20th century, there was a need to advertise the productions and attractions of the Federated Malay States to prospective investors, government officials and settlers.

Sarawak - Wikipedia

David Brent recalls the sounds, sights, textures and smells that he had enjoyed growing up in Malaya and later serving as a Malay Police officer during the height of the Malayan Emergency. He remembers many of the interesting characters he met and worked with and discusses some of the police work that had necessarily been modified by the Communist Insurgency.
