To get an owner's manual for your pump, first determine the model name. All Honda water pumps have a model name with a prefix that starts with "W" such as WD30, WH15 or WDP30. The model name is usually on the fuel tank or recoil starter of the engine. If you can't find the model name, contact a servicing Honda water pump dealer.

Honda Engines | Owners Manuals

Honda's GC and GS engines use the world's first small engine internal timing belt, designed to last the lifetime of the engine. Small engine timing belts are usually external and are subject to wear caused by dirt. Honda's internal timing belt runs in oil, eliminating the need for conventional drive gears. This design:
