The Going to the Sun Road ends as it crosses the continental divide at Logan Pass which is the highest point on the Going To The Sun Road. We highly recommend stopping at the Logans Pass Visitor center. We saw Big Horn Sheep multiple times when we drove up. However, this is a very busy area and during the main season you can't always get parking.

Kenny Chesney's stardom snuck up quietly. He had a string of modest successes during the late '90s, but he never made crossover waves until 2002's No Shoes, No Shirt, No Problems, when his steady touring and steady shift toward adult pop paid off with his first number one album, but that was nothing compared to the stunning first-week sales of its successor, When the Sun Goes Down, which also ...
